

LOKET **SAFETY**
AND
PROTECTION
NETS

SAFETY NETS

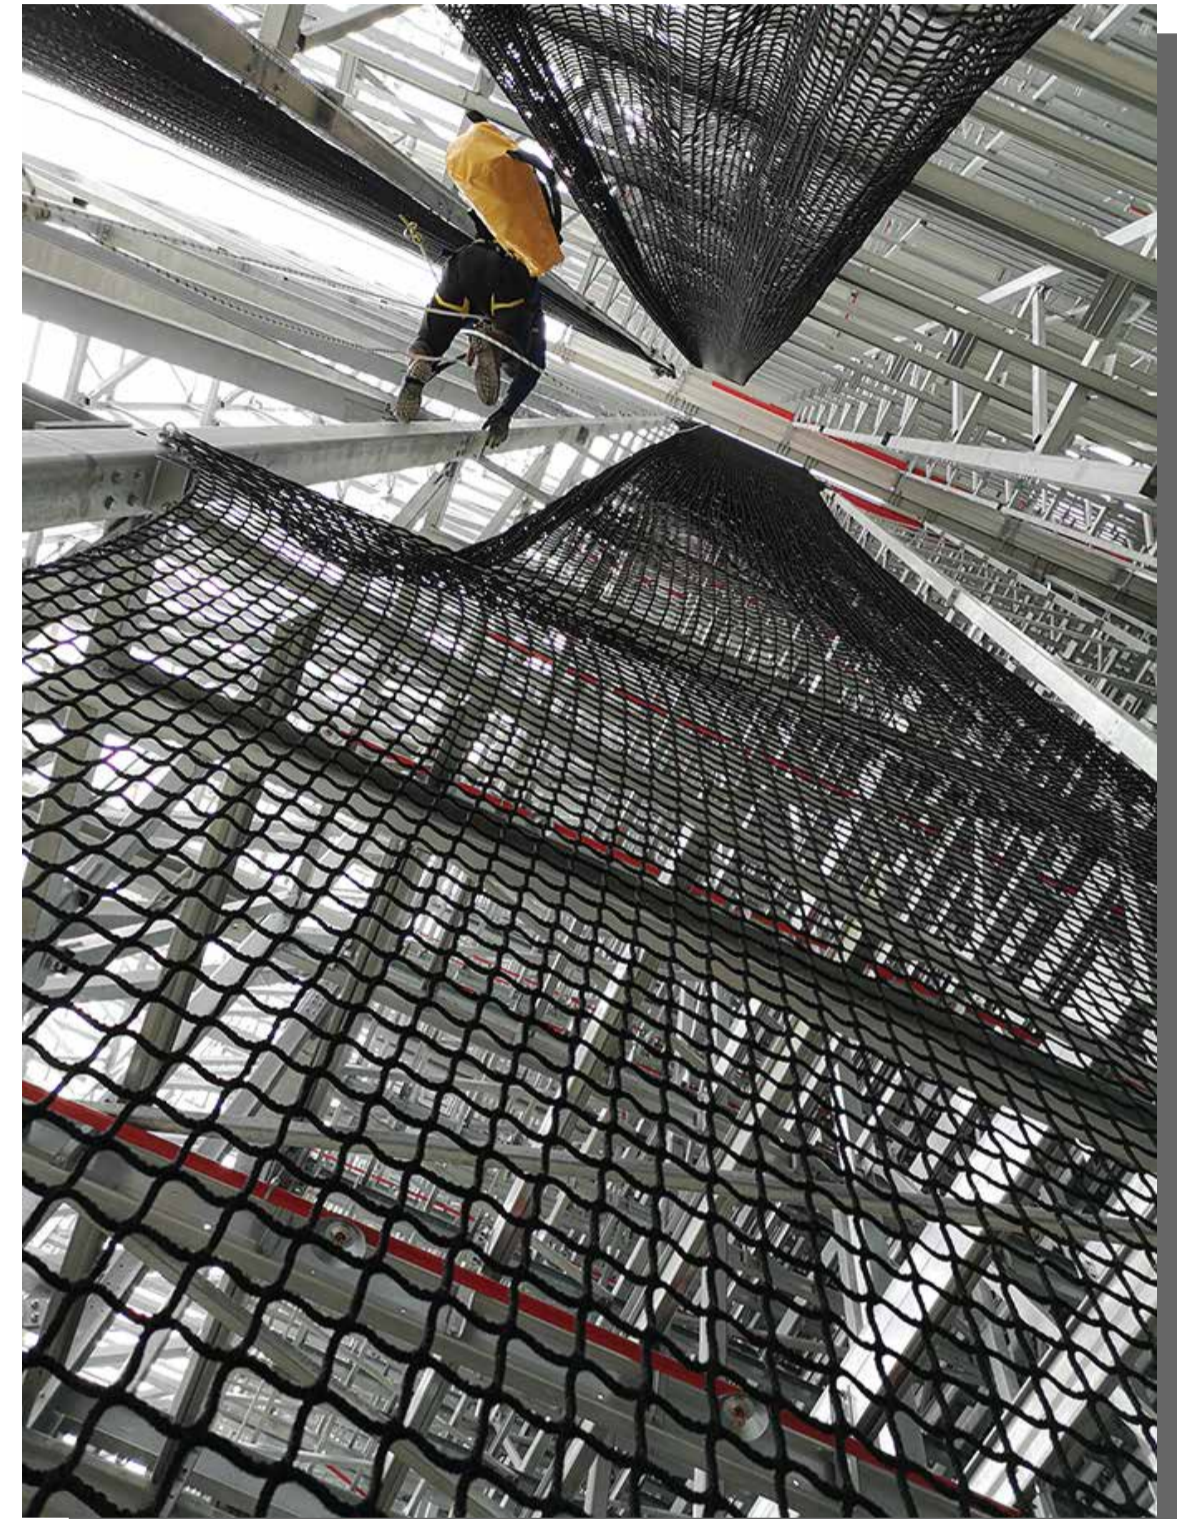

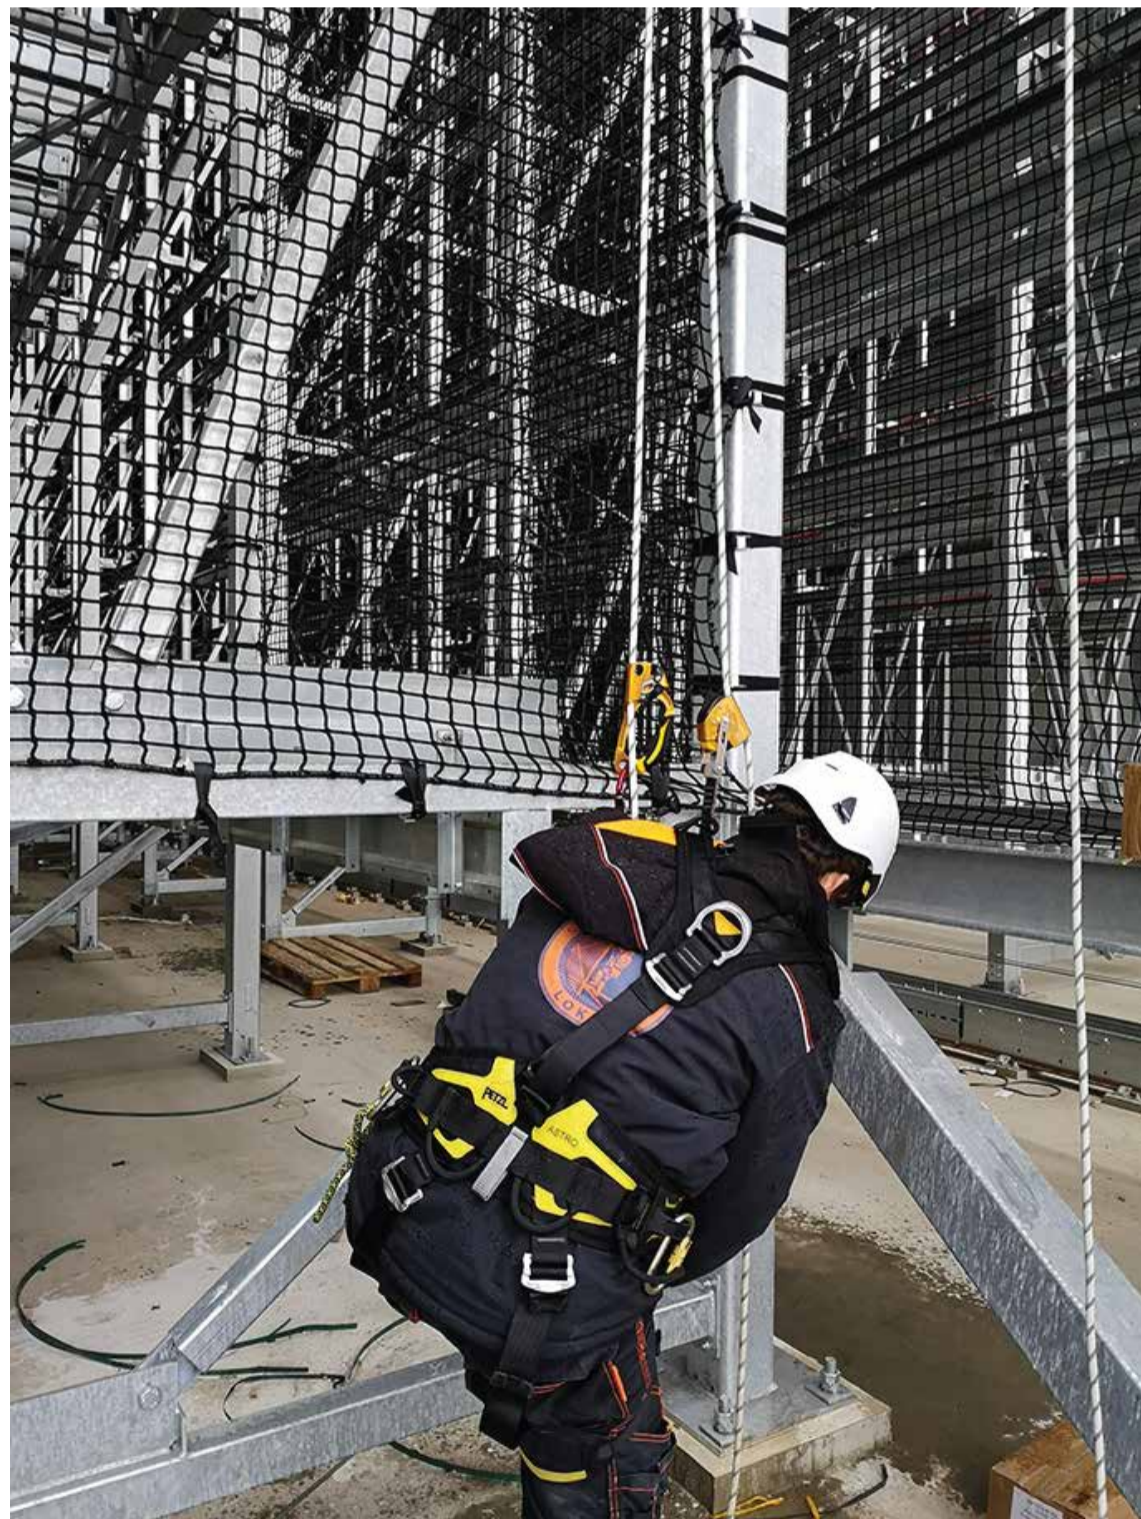

VERTICAL HBW protection nets

WHY LOKET

*WAREHOUSE
PROTECTION NETS?*

- **LONG TRADITION IN NET PRODUCTION, SINCE 1928.**

- **NETTINGS ARE ADAPTED TO THE REQUIREMENTS OF THE PROFESSION, TESTED AND CERTIFIED.**

■ **OUR NETTINGS ARE CUSTOMIZED INDIVIDUALLY, FOLLOWING THE NEEDS OF PROJECTS AND CLIENTS.**

■ *We are producing, customizing and installing the nettings by our self. This way, we are personally following the manufacturing process from its start to the finish and can ensure the quality of our nets in production, distribution, customizing and installation.*

- *This allows us a quick adaptation to the market conditions and quick overcoming of the challenges at particular projects.*
- *Short communication paths, fast delivery, no intermediaries, the whole process is in our hands, which allows us to offer very affordable prices.*
- *Our coworkers are trained and specialized for installation of the nettings at great heights (IRATA).*

LOKET GMBH INSTALLING THE NETS IN ALL PARTS OF THE WORLD, IN DIFFERENT PHASES OF THE WAREHOUSE CONSTRUCTION, AND BY NEEDS IN SEVERAL STAGES.
